EXAMINER'S AMENDMENT AND REASONS FOR ALLOWANCE

An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on January 4, 2005, Mr. Christopher W. Slanvinsky requested an extension of time for 2 MONTH(S) and authorized the Director to charge Deposit Account No. 19-1025 the required fee and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claims 84 and 87, line 3, delete "canerenone" and insert therefor --canrenone--;

In claim 105, line 2, delete "The chromosome" and insert therefor --the chromosome--;

Cancel claims 3-9, 30-34, 36-45, 50-56, 59-77, 90-102 and 107-110.

The following is an examiner's statement of reasons for allowance:

Applicants representative requested in a telephone conversion of January 4, 2005 that the instant amendment be made as an examiner's amendment. With this amendment all of the rejections indicated in the advisory action of 11/28/04 have been overcome and therefore the application is allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
